My Dear Mr. Robinson:-

I am desirous of obtaining some information about certain men who live in Syracuse, and I am wondering if you will give me that information. They all live in Syracuse, and if you do not know them personally, perhaps you have at hand a copy of the Syracuse Directory, which would aid you. The names are 1, John P. Lishman; 2, Frank Collins; 3, William G. Williams; 4, Henry Schwartz; 5, Chas. H.Renshow; 6, W. H. Covert; 7,Charles E. Fairchild; 8, Louis J. Lynn; 9, Edward H. Burdick; 10, George E. Scherrer; 11 John W. Carrick; 12, Edward C. Hill; 13, William S. Farmer; 14,Frederick E. Hudson; 15, James B. Kline; 16, Samuel L. White; 17, George E. Derby; 18, Howard E. Plaisted.

This information I desire for the benefit of a large benevolent association, having appointments to make in Syracuse, and it is desirable to fix on only the best and cleanest men, which involves knowledge of their general character in the community and the business which they conduct. + your Church relation if any.

It is a matter of good will on my part, and it may seem a big job in asking information from you, but I know of no one who has such information to give who would give it to me better than you. If it seems to you as it does to me rather big, pray absolve yourself and do not burden yourself with it, but if you can I shall be glad to have you give me the information, which will be entirely confidential, your name and the source of my information being never alluded to with anybody, and to save writing the names it will be intelligible to me if you will refer to them by the numbers I have given above.

Yours very truly,

Dear Bro.

I have sent your letter concerning Rev Alex. Wouters to Hon A. S. Pierson a prominent ~~a prominent~~ member of the Session, and a warm personal friend.

I do not know what their

place may be. It is
only recently that Rev Mr
Ball formerly presented
his resignation. Until then
it was not certain that he
would go. His resignation
does not take effect until
the last of Sept.
Your warm commendation
of Mr Wouters will place
his name before the Newark

church in a favorable way.

Yours truly

Dear Mr. Robinson,

Last evening our Session reconsidered its action instructing our representatives to invite Synod to meet in Auburn Central in 1905. I am glad the matter had not gone so far in respect to publicity and around interests as to make us any embarrassment in thus withdrawing. I hope you will get Synod and you may count on us

for any help in securing favorable action. Some year in the near future we can no doubt have our turn.

With cordial regard and Expecting pleasant fellowship at Synod next week

I remain Sincerely

My dear Sir:-

I deeply regret to inform you that Rev. Charles H. Jones was removed from a barber shop last Friday P.M., after having lain in a barber's chair for two hours in a partial state of insensibility, and is now confined to his bed. Under great difficulty he preached last Sabbath morning. It seems to be the impression of the two physicians whom he has employed during the last year that he is now and has been for many months laboring under some mental trouble.

The statement, made at the Presbytery, that he might not receive a clean discharge, in connection with the whole discussion, seems to have unnerved him. I think his case need the most careful and charitable handling to prevent serious consequences.

He has applied to the Session for a letter. This has been under consideration at two meetings and it has been deemed advisable not to refuse the same. At the same time, the Session will decline to accede to his request when it is deemed safe to do so.

Yours sincerely,

I. B. Poucher
